

A. Detailed description of the variance that is being requested.

B. Provide a sketch of the property and existing setbacks, height, and other facts relevant to the variance request, on a separate sheet of paper.

C. A narrative statement from the applicant, accompanied by such documentation as the applicant asserts is relevant stating why special conditions and circumstances exist which are peculiar to the subject property, the structure or buildings involved, and an explanation or argument as to why the subject property or buildings are not similar to other lands, structures, or buildings located within the town and why the present town code provisions, should not apply to the subject property or buildings.

D. The applicant shall state why a literal interpretation of the provision of this code would deprive the applicant of rights commonly enjoyed by other properties located within the town, why special conditions and circumstances relevant to the subject property do not result from the actions of the applicant.

-
- E. The applicant shall explain why granting the variance requested would not confer upon the applicant any special privilege that are denied by this code to other lands, structures, or buildings in the town.

- F. The applicant shall provide a list of the names and mailing addresses of all property owners whose property is located within an area within 300 hundred feet (300') of the subject property seeking the variance. (Attach additional pages if needed)
