

## **ORDER FOR ZOOM COURT**

Effective beginning in July 2025, and for every Court date thereafter the following procedure will apply for all individuals who receive a traffic summons.

The Court recognizes that there are many individuals who receive traffic summons that reside out of the Elbert County area. In fact, there are many such individuals who live out of state. Thus, in order to reduce the number of failures to appear, and to treat all similar individuals in a similar manner, the Court will allow any such individual who wishes to appear remotely (Zoom) to do so. This option is available to all traffic offenders regardless of where they may reside. Further, this Order only applies to individuals who receive a traffic summons, any other charge (criminal, animal, or code) must appear in person pursuant to the date and time listed on the Summons.

In order to appear via Zoom, please click on the link below on the date of your appearance and there will be an invitation to join the Town's Zoom account.

By the Court, this 16<sup>th</sup> day of May 2025.

Stephan Jones  
Presiding Judge
